Clear Capital Partners Breaks Ground in Alabama

August 10th, 2021 (Orange Beach, Alabama) – Clear Capital Partners, a merger and acquisition firm that specializes in creating investment opportunities exclusively for small to medium sized businesses, has acquired another top-tier child care facility for their rapidly expanding brand.

The newest acquisition, Creative Discovery, is located in Auburn, Alabama, and has been a fundamental institution in the local community since it opened its doors in 2004. This deal is the first one for Clear Capital Partners in Alabama and bumps their presence to seven states across the country.

“Our growth has been monumental, and we are thrilled to enter the market in Alabama,” said Tom Isbell, Chief Operating Officer for Clear Capital Partners. “We are only interested in acquiring the very best child care facilities and Creative Discovery definitely fits the bill.”

Carl and Sandy Skillmen, with the help of their daughter Staci, designed and built Creative Discovery in 2004 to meet the need of the Auburn community. “Creative Discovery has been in our family for 17 years, and it was hard to let go. But, knowing that Clear Capital Partners would continue to take care of the families of Auburn made it a little easier. The center is in great hands,” said the previous owner, Carl Skillmen
